FOR THE COMMANDER

  
JOSEPH E. ZAINERY, Major, USAF  
Director of Information

1 August 66

Conversation with Captain Clark, concerning alleged Ufo sighting. Captain Clark will forward a radar report to our office. There were numerous aircraft in the area of the sighting at the time of the sighting. Captain Clark after having talking with observer feels that several aircraft were responsible for the sighting.

Reference Telecon between Lt Marley, your organization and myself, regarding UFO sighting at Aberdeen, SDak, on 18 July. Due to the present airman manning (25% of authorized strength), this branch is unable to fully support even our primary wartime mission. Providing the assistance you request would degrade our unit's war commitment, and for this reason we are unable to comply.
